In the December 2007 issue, Special Events Magazine ranked The Arrangers, a Denver based Destination Management Company (DMC), as one of the “25 Top” DMCs. This is the second time The Arrangers has made the prestigious list giving the 38-year old company continued world-wide recognition among 1,400 plus destination management companies spanning the globe. Special Events Magazine reported that the “25 Top” DMCs on the list alone represent a \$300 million dollar industry.

In 2007, The Arrangers worked with nearly 150 clients and produced over 400 events ranging from weeklong ski incentives to a group airport transfer for nearly 3,000 attendees. Another highlight of the year was planning a custom-designed “give back” teambuilding program with the USO collecting items for U.S. Troops.

“We excel at switching modes from one event to the next – formal galas to rustic ranches, limos to motorcoaches, sporting events to teambuilding, all within a week, days or sometimes even minutes,” says Nicole Marsh, CMP, DMCP, The Arrangers Owner and President. “We are honored to be among the top in our field.”

The Arrangers Destination Management and Event Planning Company provides the creativity and production for many of Colorado’s award-winning events. The Arrangers DMC partners with Corporate, Incentive and Association planners for all program services including theme events, transportation, group activities, teambuilding, custom tours and VIP service. Headquartered in Denver’s Historic “LoDo” District, The Arrangers service clients in Denver, Colorado Springs, Vail, Aspen and the Rocky Mountains Resorts.
