The Arrangers Destination Management Company recently received certification as a Women's Business Enterprise (WBE) by the Women's Business Enterprise Council-West, in partnership with WBENC.

The WBENC is the nation's leading advocate of equal opportunities for women's business enterprises. The WBENC is the only national organization that brings WBEs and corporations together to work toward the mutual goal of improving marketing opportunities for resourceful women-owned businesses as vendors and suppliers to the nation's corporate and non-profit sectors.

Woman-owned since its inception in 1969, the company has only changed hands once in 2000 when founder, Linda Rankin, sold The Arrangers to long-time employee, Nicole Marsh. Nicole has maintained the high-quality service standards, creative leadership, company work ethic and overall success of Colorado's unrivaled one-stop shop for hospitality services.

Colorado Biz Magazine recently recognized The Arrangers DMC among the Top 100 Woman-Owned Companies in Colorado, ranking the Denver based Destination Management Company 46th this year.

The Arrangers Destination Management and Event Planning Company provides creativity and production for many of Colorado's award-winning events. The Arrangers DMC partners with Corporate, Incentive and Association planners for all event services including theme events, promotional parties, ground transportation, group activities, teambuilding, custom tours and VIP services in Denver, Colorado Springs and the Rocky Mountains. Headquartered in Denver's Historic "LoDo" District, The Arrangers also has an office in Vail/Beaver Creek to serve clients meeting in Colorado's Mountain Resorts.
