The Arrangers Destination Management Company was named 2007 Top Company in the Tourism/Hospitality category by *Colorado Biz Magazine* and *UMB Bank*, widely regarded as Colorado's most competitive statewide business-excellence program now in its 20<sup>th</sup> year. Winners in ten industry categories were announced September 12th at an awards luncheon at the Denver Center for the Performing Arts.

20<sup>th</sup> Annual  
**TOPCOMPANY**  
2007

*Colorado Biz Magazine* featured The Arrangers in its September issue as one of three finalists for the category. Finalists and Top Companies were selected based on excellence; excellence in financial performance, business operations and community involvement.

Participating companies nominated themselves, which meant they were willing to undergo the rigor of an evaluation process by longtime sponsor, Deloitte, and a panel of judges including Colorado business and civic leaders. Deloitte evaluated the dozens of nominations received and selected the top three finalists in each business category. The panel of seven judges then determined the winning company who excelled on the balance sheet and within the community.

In 2006, The Arrangers produced 400 events for 148 clients and overall revenues by 94 percent. Contributions in the community include arranging services at not cost for a number of city-hosted events for the Denver Metro Convention and Visitor's Bureau, partnering with the Rock Bottom Foundation to assist with logistics for their holiday Miracle event feeding 4,000 of Denver's homeless and stuffing and distributing 2500 gift bags, and supporting the Rocky Mountain Children's Law Center.

The Arrangers Destination Management and Event Planning Company provides creativity and production for many of Colorado's award-winning events. The Arrangers partners with Corporate, Incentive and Association planners for all event services including theme events, promotional parties, ground transportation, group activities, team building, custom tours and VIP services in Denver, Colorado Springs and the Rocky Mountain Resorts. Headquartered in Denver's Historic "LoDo" District, The Arrangers also has an office in Vail/Beaver Creek to serve clients meeting in Colorado's Mountain Resorts.
