---

The Denver Metro Convention and Visitor's Bureau recently awarded Corinne Hofstetter and Brett Crawford with the "Go the Extra Mile" service excellence award. The award is designated to honor employees for their dedication to excellence in the hospitality industry.

During the last two weeks of January, Corinne and Brett produced a complex city-wide program for 3,000 nationwide T-Mobile employees managing all airport arrivals and departure transportation, as well as numerous daily transportation movements for various meetings and special events.

The program was a huge success and client, Brenda Allen raved about The Arrangers' saying, "During the five day event The Arrangers personnel operated flawlessly, conducting over 10,000 people moves with no operationally relevant issues. This was a considerable feat given the logistical complexities associated with large groups, airport operations, multiple hotels, off-site venues, and weather while addressing the requirements of VIPs and others requiring special assistance. The Arrangers' team operated flawlessly, meeting each operational milestone, overcoming every hurdle, and far exceeding established expectations."

Corinne joined The Arrangers September 2004 and works as a Program Manager, focusing on small market event sales and operations. She is involved with HSMIA (Hospitality Sales and Marketing Association International), and currently serves on the committee for Network for the Needy benefiting the Food Bank of the Rockies. Brett joined The Arrangers' team in May 2007, after completing a year-long internship with the company and graduating from the University of Denver's Resort and Hotel Management program. He is an Operations Coordinator, handling program logistics from start to finish.

The Arrangers Destination Management and Event Planning Company provides creativity and production for many of Colorado's award-winning events. The Arrangers partners with Corporate, Incentive and Association planners for all event services including theme events, promotional parties, ground transportation, group activities, team building, custom tours and VIP services in Denver, Colorado Springs and the Rocky Mountain Resorts. The Arrangers' headquarters is in Denver's Historic "LoDo" District, serving clients meeting throughout Colorado.
