The Convention Industry Council (CIC) is pleased to announce that Stacie Cisco of The Arrangers DMC in Denver, Colorado has earned recognition from CIC by receiving the Certified Meeting Professional (CMP) designation. Stacie was among 427 professionals who passed the July 28, 2007 CMP examination.

This prestigious credential, recognized throughout the meetings, conventions, and exhibitions industry, demonstrates an individual's comprehensive knowledge of meeting management and increases the value of these practitioners to their employers and individuals to whom their services are provided. The CMP designation, established in 1985, is a program of the Convention Industry Council and is endorsed by the 30 organizations within the meeting industry, which comprise the Council.

Stacie is actively involved in the Colorado Hospitality industry as a member of the Rocky Mountain Chapter of Meeting Planners International (MPI) and currently sits on the Board as Director of Member Care. In 2007, she was named a finalist at the Annual MPI Awards Gala as Meeting Planner of the Year.

The Arrangers Destination Management and Event Planning Company provides creativity and production for many of Colorado's award-winning events. The Arrangers DMC partners with Corporate, Incentive and Association planners for all event services including theme events, promotional parties, ground transportation, group activities, teambuilding, custom tours and VIP service.
