The Arrangers Destination Management and Event Planning Company is pleased to announce that Stacie Cisco has recently joined our team as Operations Manager, responsible for coordinating event program logistics.

Stacie comes to The Arrangers with over 10 years of marketing and event management experience. She began her career in the advertising industry before she worked for an exhibit house managing trade show logistics where her passion for events took off.

Stacie also brings a plethora of experience working for a Fortune 300 company as their Conferences and Corporate Event Manager. Most recently she managed the meeting and event spaces on the Auraria Campus in downtown Denver, scheduling and managing over 2000 events annually.

Stacie is actively involved in the Colorado hospitality Industry as a member of the Rocky Mountain Chapter of Meeting Planners International (MPI) and currently sits on the Board as Director of Member Care. In 2007, she was named a finalist at the Annual MPI Awards Gala as Meeting Planner of the Year.
