The Arrangers Destination Management Company has received multiple awards and recognition this year. Notable acknowledgments include:

In the December 2007 issue, *Special Events Magazine* ranked The Arrangers one of the **"25 Top" Destination Management Companies (DMC) in the world**. 2007 was the second time the 38-year-old company made the prestigious list giving The Arrangers world-wide recognition.

On December 10, The Arrangers received Charter Accredited Destination Management Company (ADMC) status from the Association of Destination Management Executives (ADME). One of only (24) DMCs world-wide, and the only in Colorado, to receive this inaugural accreditation, The Arrangers met ADMC program requirements measuring longevity and stability of the company, commitment to the DMC industry and service levels to clients.

It was also announced in December that The Arrangers is one of three finalists in numerous categories of ADME's Achievement Awards. Nicole Marsh has been nominated as the Destination Management Professional of the Year, our "Take it to the Field" Event is a finalist for Best Teambuilding Program, a corporate airport transfer program for 2,500 attendees is a finalist in the Best Transportation Logistics Category and our "Welcome to Colorado Event" is a finalist for Best Event under \$50k. All awards will be announced at ADME's Annual Meeting in February 2008.

The Arrangers is also one of three finalist in Colorado Meetings & Events Magazine "Best of" Awards in the categories of Best Destination Management Company and Best Teambuilding. Winners will be announced at the "Best Of" Event in March 2008 and will also be listed in the Spring 2008 issue.

On September 12th, The Arrangers was named **2007 Top Company** in the **Tourism/Hospitality** category by *Colorado Biz Magazine* and *UMB Bank*, widely regarded as Colorado's most competitive statewide business-excellence program. Top Companies were selected based on excellence in financial performance, business operations and community involvement.

Also in September, The Arrangers received **certification as a Women's Business Enterprise (WBE)** by the Women's Business Enterprise Council-West, in partnership with the WBENC. The WBENC is the nation's leading advocate of equal opportunities for women's business enterprises.
