

HR Search Firm and The Arrangers Team Up to Celebrate Success of Colorado's Top 100 Women-Owned Businesses

For the first time, owners and leaders of *Colorado Biz* magazine's Top 100 Women-Owned Businesses are coming together to network and celebrate their success at a special reception co-hosted by Molly McCoy, president and founder of HR Search Firm, and Nicole Marsh, CEO of The Arrangers.

Sponsored by Jones & Keller, Attorneys at Law, and Colorado Biz, the celebration is designed as an intimate event to foster new business associations and create mentoring opportunities among honorees.

The event is the brainchild of McCoy who enlisted the help of Marsh – her friend and mentor. Both woman head companies listed among the top 50 of the 2008 Top 100 Women-Owned Businesses. McCoy and Marsh aspire to lead their companies to increased growth, continued success and higher standings on the list in the coming years.

“I thought it would be a wonderful opportunity to learn from other women who are heading thriving companies,” says McCoy. “As busy leaders and business owners, we seldom take the time to recognize significant business milestones. This peer event allows us to get together and celebrate the success of our businesses and share lessons learned along the way.”

HR Search firm is listed as 48th on the annual *Colorado Biz* list, moving up from 65th in 2007. The Arrangers is listed as 40th, moving up from 46th in 2007.
