The Arrangers DMC is pleased to announce that Zack Strober has been named as one of 5 finalists for the prestigious 2007 Event Solutions Spotlight Award as Event Planner of the Year. The recipient of the Spotlight Award will be announced at the Event Solutions Spotlight Awards Event in Miami Beach on August 23.

Event Solutions magazine has presented the Spotlight Awards to top event industry professionals for the past 10 years. The 22 award categories honor people and companies in a wide variety of disciplines necessary to produce excellent events.

Zack has over 11 years experience in the destination management and hospitality industries. He joined The Arrangers in 2005 as a Sales and Program Director and has since made a name for himself in the Denver events community. Prior to joining The Arrangers, Zack was a Senior Operations Manager for a leading destination management company in San Francisco. He has also produced events for Seattle's Woodland Park Zoo and served as the Head Concierge for the Four Star – Four Diamond Alexis Hotel in Seattle.

The Arrangers DMC partners with Corporate, Incentive and Association planners for event production, VIP services, group activities, custom tours, airport services and ground transportation in Denver, Colorado Springs and the Rocky Mountain Resorts. Headquartered in Denver's Historic "LoDo" District, The Arrangers also has an office in Vail/Beaver Creek to serve clients with programs in Colorado's Mountain Resorts.

An event industry colleague, who felt that Zack's body of work deserved this honor, nominated him for the Spotlight award. Zack then created an entry profile describing his work to present on the online voting site. This entry profile will appear on the voting site at www.event-solutions from June 1, 2007 until July 23, 2007.

The Spotlight Awards Event is the finale to the 2007 Event Solutions Idea Factory - Education, Events and Expo, which will be held at the Miami Beach Convention Center, August 20 – 23. Event Solutions magazine boasts a print circulation of over 26,000 and is one of the products of Event Publishing, LLC, which also produces the Idea Factory.
